Daggerfall Xtra Quests SPECIAL EDITION (patched)

=====

WELCOME!!!

Welcome to Daggerfall Xtra Quests SE. This is an addition of
Daggerfall quests, created by Skeleton Man. Enjoy!

=====

SPECIAL EDITION INFO

This is a makeover of the original Daggerfall Xtra Quests. It rewrites
several of the original pack quests, and adds 2 new quests. Several bugs
found in the original are fixed.

This special edition is ONLY available at my site (or supposed to
be, anyway.) Please do not distribute it on your site. If you got
this from a site other than mine, please inform me. I wish to keep
it exclusive to my site.

=====

INSTALLATION

These files are quests for Daggerfall. To install, all you must do is copy
them to the ARENA2 directory under Daggerfall. They will automatically come
up in the game. Be sure to keep this TXT in case you need to know quest
names to pass them on, edit them, or delete them.

=====

IMPORTANT!!!

If you have made any cool quests, and want to get them on the web, send them to me! My address is at the bottom of the file.

Also, if you have any ideas for cool quests, send them to me and I'll see what I can do.

=====

ERRORS

If you find an error with one of the quests, TELL ME! It won't get fixed unless you notify me. I will do my best to fix the error.

And please, be specific. Saying "The Fighter's Guild quest won't work" tells me nothing. Describe the problem. For example, "I got the fighter's guild quest to kill the Vampire ancient. When I went to collect my reward, I got told I failed." This explains the problem to me, and I can fix it.

=====

DISTRIBUTION

You may NOT distribute this collection. It is exclusive to my site (or supposed to be), so please don't put it on your site. If you want, you can link to my site, though.

=====

OTHER VOLUMES

The original Xtra Quests is available, but you have the SE already so you don't need it. The 2nd pack is also available off my website. The URL is at the bottom of this TXT. Please note that the 1st and 2nd packs MAY BE DISTRIBUTED FREELY.

A 3rd pack is in development. Watch for news on my site.

Also, SEND YOUR QUESTS. Making a quest can be a very fun thing. I did it, didn't I? Your quest will be evaluated, and you will be notified if it will be put in.

=====

SURVEY

README.TXT

I would like to know what kind of quests people like the most. On my site, you can fill out a survey about the pack. Please go there and fill it out, as it will help me make quests people enjoy more. My URL is at the bottom of this file.

So far, the survey has told me that town quests are preferred, and the Thieves Guild is the most popular guild.
